Mr. Wilson,

I am seeking employment for the position of Production Artist in the Creative Services department. I have a passion for this field and want to contribute this passion and my creativity to this industry-leading company.

I have obtained my A.A.S. degree in Graphic Design and have a strong portfolio to demonstrate my commitment and passion for this field. I have worked with Macintosh computers and with the CS software using both for multiple projects. I'm detail oriented and work well under pressure and deadlines.

I appreciate your consideration, and I look forward to hearing from you.

Best regards,
